## FESTIVAL PATRONS & FRIENDS INFORMATION

Thank you very much for your interest in Petworth Festival.

It is always difficult to finance a Festival of this nature, due in part to the diversity of the events and the high standard of our artists, combined with the often small, but delightful venues. The Petworth Festival, a Registered Charity, relies on support from businesses and individuals as well as the box office, to finance the programme.

“Festival Friends”, who give £30 or more each year (per household), are entitled to a priority booking period and a 5% discount on tickets bought during that priority period. They receive exclusive preview information early each year and an invitation to the Summer Festival launch party. Friends who give £100 p.a. or more are called Patrons and receive a longer priority booking period than Friends.

If you would like to support the Festival by becoming a Friend or a Patron, you can do this directly online via our website homepage, choosing “How to Support” then “Patrons & Friends”, then click on the relevant link, or click [here](#) to go directly to the payment page.. The summer Festival priority booking has been widely used to good effect over recent years as several of the events have sold out extremely quickly. We do hope that you would like to become a Friend or Patron of the Festival and I look forward to hearing from you.

We also hold a Literary Week in October/November. There is currently no priority booking period or discounted tickets for these events, but as a Festival Friend or Patron you will have priority for returns in the event of sell-out talks.

We do hope you would like to become or continue as a Friend or Patron of Petworth Festival and we look forward to hearing from you.
